# BIG PICTURE MANAGEMENT

SEMEX SOLUTIONS MAKE GENETIC DECISIONS EASY

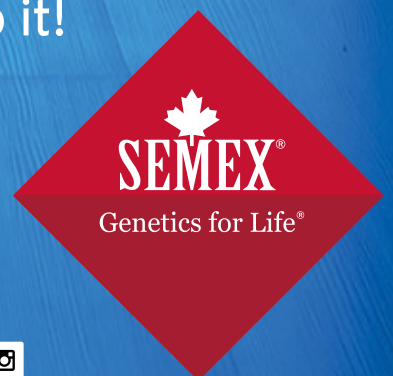

The number of decisions you're factoring into genetic planning and breeding selection is only growing more complex. To keep up with the pace of genetic gain, a herd needs to be doing more than purchasing the right sires and Semex is ready to help you do it!

# TIMETABLE

## MONDAY 20TH JANUARY 2025

- 7:30am Shed Meeting – Compulsory for **ALL** exhibitors
- 8:00am Youth Clinic Featuring Terri Packard & Ernie Kueffner
- 9:30am Youth Challenge
- 11:30am Breed Judging Competitions
- 2:30pm NZ Dairy Breeds Federation World Wide Sires All Breeds Junior Judging Competition
- 4:00pm Sale animals on display
- 5:00pm Food Tuck Night
- 5:30pm Event Opening
- 7:00pm Summer Sentation Sale

## TUESDAY 21ST JANUARY 2025

- 8:00am Youth Show – Young Handlers
- 9:00am Futurity Classes – Calves & Yearlings
- 9:30am Youth Show – Calves & Yearlings (Junior Calf – Junior Champion)
- 11:00am Ayrshires (Junior Calf – Junior Champion)
- 12:30pm Jerseys (Junior Calf – Junior Champion)
- 1:30pm Holstein Friesians (Junior Calf – Junior Champion)
- 3:30pm Combined Breeds (Junior Calf – Junior Champion)
- 4:30pm Interbreed Champion 5 x Junior Champions
- 6:00pm Evening BBQ – Complimentary entry to Sponsors & Exhibitors, sponsored by FMG

## WEDNESDAY 22ND JANUARY 2025

- 8:30am Futurity Class – Two year old
- 8:45am Ayrshires (Two year old – Grand Champion)
- 10:15am Jerseys (Two year old – Grand Champion)
- 12:00pm Holstein Friesians (Two year old – Grand Champion)
- 2:00pm Combined Breeds (Two year old – Grand Champion)
- 3:15pm Intermediate Interbreed Champion 4 x Intermediate Champions
- 3:30pm Senior Interbreed Champion 4 x Senior Champions
- 4:00pm Supreme Interbreed Champion (Junior, Intermediate, Senior Interbreed Champions)

# 50 HEAD OR 1,000 HEAD, WE'LL HELP YOU STAY AHEAD.

## SUPPORTING DAIRY INDUSTRY EVENTS AND GIVING GREAT ADVICE.

At FMG, we're here to help dairy farmers stay informed and get ahead. That's why along with offering useful advice and tips, we support dairy workshops and seminars happening right across the country. Because at the end of the day, learning the latest techniques and developing new skills will help you make positive changes and better decisions. So take the opportunity to stay ahead at a dairy event near you. Head to [fmg.co.nz/dairyevents](http://fmg.co.nz/dairyevents) to find out more.

**We're here for the good of the country.**

# COMMITTEE WELCOME

Dear show enthusiasts,

On behalf of the organising committee, it is with great pleasure that I'd welcome you all to the 2025 NZ DairyEvent at Manfeild Park Stadium in Feilding. We've received great feedback on the revised set-up we introduced last year and had a good following from our live-stream coverage of the event, ending up with significant numbers of viewers from Australia, North America and Europe as well.

It's great to see that Semex will again be the Gold-Sponsor for this year's event. We've also been able to secure sponsorship from a number of Silver and Bronze sponsors. The 2025 show will also sport some trade sites from businesses that aim to interact with exhibitors and visitors at the event as well. I'd encourage you all to take some time to have a look at our sponsors' stands and trade sites and, in the first instance, consider their brands if you're in the market for any of their products or services. These businesses' contribution plays a vital role in the committee's ability to make the NZ DairyEvent a success and it would be good to show our appreciation in return for their sponsorship. Go and check them out!

Again, this year a big effort has gone into putting together another version of the NZ DairyEvent's Summer Sensational Sale. In conjunction with the stud stock crew from PGG Wrightson the sale-committee has been able to attract consignments from absolute top (inter)national pedigrees and several sale lots have already attracted international attention.

Talking about getting noticed. We'll continue with live-coverage for the 2025 NZ DairyEvent, as it will give our sponsors and exhibitors great exposure outside of our boundaries. And while we will be on display for the wider community and the world for that matter, we're introducing a 'Best Isle' competition for the days of the event with sponsored goodies and daily spot prices for the best presented isle and an overall winner on the final day.

To assist with fundraising for the 2025 NZ DairyEvent we've put together the "Among the Stars" fundraiser that will be

drawn immediately prior to the sale. I want to sincerely thank the breeders that have, without hesitation, put forward calves out of some of the top animals from the 5 different breeds represented in the raffle. If you haven't done so already, look up the raffle flyer in this catalogue, our Facebook page or the NZ DairyEvent website. Scan the QR-code with your smartphone and it will get you to where you can buy tickets for the raffle.

For the 2025 NZ DairyEvent we've managed once again, to attract the services of another magnificent line-up of judges from both here and overseas. I'm heartened by comments from previous years' judges about the quality of the New Zealand show animals that have been put forward by exhibitors. This goes to show that our breeding efforts in this country are certainly not going unnoticed elsewhere and this years' judges are well qualified to rank the various classes for us.

Another feature for this year's event will be the introduction of pre-show scanning in an effort to keep up with international best practice to ensure animal welfare. This means that exhibitors will have their in-milk animal scanned prior to her going in the ring. This change will require exhibitors to have their animal(s) organised on-time. We'll endeavour to have some people available to give a hand in case it's needed and to make sure the process will run smoothly.

Finally, I'd like to draw your attention to the work the members of the organising committee have put in. These volunteers all have their own jobs and businesses to look after and have given up a considerable amount of their spare time to help put the 2025 NZ DairyEvent together. Legends!!

On behalf of the organising committee I want to thank all sponsors and exhibitors for their ongoing support for the NZ DairyEvent. It'll be great to catch up with everyone and I wish you all the best for the show.

# MEMBER OF PARLIAMENT WELCOME

**Welcome to Feilding – the heart of the mighty Rangitikei - for the 2025 New Zealand DairyEvent.**

We are proud to be hosting the very best cattle from all around New Zealand.

The Manfeild Agri-Centre facilities in Feilding are outstanding - without doubt the best in the Southern Hemisphere for exhibiting cattle. A perfect setting to showcase New Zealand's top cows at this year's New Zealand DairyEvent.

I appreciate the thousands of hours of organisation and planning involved for an event of this scale to proceed. Thank you to everyone who has played a part in making it happen, especially the NZDE Committee, all of whom are volunteers. Thank you too to the exhibitors and judges – and of course the sponsors.

I am looking forward to attending this year's New Zealand DairyEvent as the Member of Parliament for Rangitikei. It is important to see and celebrate the best of the best in our dairy industry - an industry which contributed over \$23b in export receipts to the New Zealand economy last year, and employs over 50,000 people.

The dairy industry has proven itself to be a progressive one with a sustainability focus, for which advances in breeding and farm systems are delivering value. I also applaud the New Zealand DairyEvent's commitment to focussing on young people involved in farming. As we all know – they are the future of our industry.

This year's showcase looks set to be the best yet. I look forward to seeing you there.

Best regards

Suze Redmayne

# MAYOR'S WELCOME

A very warm welcome to Manfeild and 'friendly Feilding' - NZ's Most Beautiful Town having won this award 16 times and as a region – the Manawatu, we are fast becoming known as the agri business hub of New Zealand

We are growing, attracting more and more people to live, work, shop and visit in Feilding and our surrounding vibrant District villages.

The Manawatu District has a population of around 34,000 and covers an area of 253,000 hectares. Feilding with a population of around 18,000 is a strong rural servicing and agri business town for the surrounding highly productive farming district.

Our livestock selling centre (Feilding Saleyards), the largest in the Southern Hemisphere are located within one hundred metres of the town centre. Our Farmers Market is held every Friday rain, hail or shine (and we have had all of those) in the heart of Feilding's town centre has won the NZ Farmer's Market of the Year award 3 times and hosted Prince Charles and Camilla in 2012.

Our local economy continues to outperform because our strengths are the primary sector, food production, agri business, agri tech and the Ohakea Airforce Base, which is located in our District. There is around \$8B worth of new infrastructure projects happening in the Manawatu region over the next 10 years.

The agri-food sector is the largest industry in our district, with dairy farming our largest primary industry. This industry is crucial to our economic prosperity as global demand for quality agri-food products produced in the district and wider region has proved somewhat resilient, despite the ups and downs so let's hope that this continues.

Combine this with our region's world-class food research capability, the quality and reputation of our products and our homegrown innovation will continue to support the strength of our local agri-food industry, while further building our brand on the world stage.

So it is in this economic environment that it is great to welcome the NZ Dairy Event again at Manfeild Park. Nothing beats coming together in person, showcasing and inspecting the animals up close, checking out the latest trade sites and most of all connecting with each other.

I congratulate the organisers and the sponsors for bringing this event together and good luck to all the breeders and participants.

If you are a visitor to our District and region, I hope you take some time out to enjoy what we have to offer and experience first hand our warm friendly hospitality in 'friendly Feilding'.

Regards,  
**Mayor Helen Worboys**

# SPECIAL THANK YOU

Thank you to the below sponsors for their continued support over the last 15 years of NZ DairyEvent.

# Oceans of experience on the land

## SoilNUTRITION

Unlock the fertiliser already in your soil.

AgriSea Soil Nutrition is a conditioner which will feed your biology, improve soil structure & fertility. An active and diverse soil biology ensures an ongoing feed source for your pasture and animals. Minerals and nutrients already in your soil become bio-available to your pasture.

## PastureNUTRITION

Pasture Nutrition delivers an instant nutrient lift directly to your pasture. Feed availability & quality significantly impact your overall animal health, production and profitability.

Applying AgriSea Pasture Health direct to the leaf increases chlorophyll levels delivering greener, healthier pastures and crops, & a considerable lift in the fibre, protein and overall nutritional value. The best part is the improved health of your stock due access to grass that is so high in nutritional value!

# JUDGES

The NZ DairyEvent Management Committee is proud to announce the judges for the 2025 All New Zealand Show. Their industry expertise, reputation and knowledge of cattle will provide for spectacular viewing. For the 2025 event we have judges coming from the UK, USA, Australia and New Zealand. Once again the Semex All New Zealand Show will have associate judges in the Youth Show, Ayrshire, Jersey and Holstein Friesian sections.

## NZ DAIRYEVENT SEMEX ALL NEW ZEALAND YOUTH SHOW | GRAHAM STEWART

Profile supplied by Mud Media.

Holstein Friesian New Zealand's (HFNZ) president Graham Stewart will judge the youth show.

Graham is a well-known name throughout all breeds in the industry as the owner of Cresslands Farms alongside his wife, Nicky, at Rangiora in Canterbury. They milk 450 cows on 130 hectares through a 32-a-side herringbone supported by a barn – averaging 630kg Milk Solids.

Graham recently won a RAS Centenary Medal for his work with his local branch, Canterbury/Westland. He remains an active member (and former president) – supporting herd walks, conferences, awards, sales, and competitions.

Graham has twice judged at New Zealand Royal Shows – in the Waikato (2012) and Hawkes Bay (2015). He has also judged the national HFNZ-Semex On-Farm Competition twice (2015 and 2022). He has been an over-judge for HFNZ for a number of years.

In the showing, Cresslands won the mature class of the HFNZ-Semex On-Farm Competition in 2019 and 2021 with Cresslands Windbrook Dana EX2. Dana also won the HFNZ-DeLaval All NZ Photo Competition in 2021. Their prolific “D” family was represented at the NZDE Centennial show in 2010 when Cresslands Forbidden Dori EX won the four-year-old

class and Reserve Champion Holstein. Forbidden's daughter, Cresslands Lauthority Dori EX2 won the HFNZ-Semex On-Farm three-year-old class in 2017. Also in 2017, Cresslands Seaver Dai-ET EX won the five-year-old class in the Semex On-Farm.

Today, Cresslands also includes one of Graham and Nicky's sons, Andrew, 35. Their second son, Nathan, 33, runs Cresslands Contracting, and they have a daughter, Rebecca, 29 – along with several grandchildren.

Graham remains passionate about encouraging the next generation into the industry, and he says he is privileged to be preparing to oversee the youth show at New Zealand's premier show.

Graham Stewart. Photo: HFNZ.

## NZ DAIRYEVENT SEMEX ALL NEW ZEALAND YOUTH SHOW HANDLERS JUDGE | EVIE TOMLINSON

Profile supplied by Mud Media.

Sponsor Probiotic Revolution has made it possible for UK photographer Evie Tomlinson to join the show's judging panel as well as its media effort.

Evie forms part of the media frontline ringside for her second year, and the NZDE has also capitalised on Evie's knowledge and experience showing cattle – appointing her to judge the 2025 handler's classes.

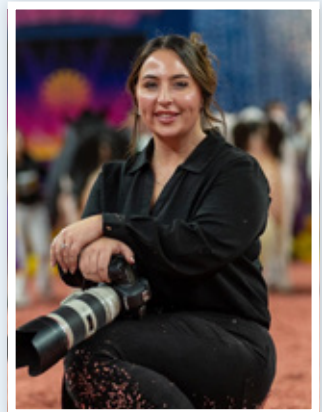

Evie is as passionate and as capable showing cattle as she is picturing them. She was the former Champion Ayrshire handler at the All Breed All-Britain calf show, aged 14. Evie's family runs Sandyford Ayrshires at Charnwood Forest, Nanpantan, in Loughborough (21 minutes from Leicester in the East Midlands of England) – see Blaise Tomlinson's bio for more details.

At the AgriScot 2024 show in November, Evie and her fiancé, Ifan Wilson, showed two cows in two breeds for two Champions. Allstar Ringer Joybelle VG88-2yr won Champion Ayrshire and Reserve Champion Super Cow, while their second entry, Nethervalley Awesome Roseanne-Red, was the

Champion Red and White Holstein.

Evie comes to New Zealand fresh off photographing ringside at the World Dairy Expo in Madison, USA for The Bullvine through her NZDE connections.

Evie has pictured in Germany, Italy, Belgium Switzerland, the UK and at the NZDE in 2024. She gained her initial profile travelling and picturing with fellow UK-born photographer Claire Swale. Evie is one of the head ring photographers at the UK Dairy Day, and the head ring photographer at the Bath and West dairy show.

Evie Tomlinson. Photo: The Bullvine

## NZ DAIRYEVENT AYRSHIRE BREED SEMEX ALL NEW ZEALAND SHOW | BLAISE TOMLINSON

Profile supplied by Mud Media.

The 2025 Ayrshire judge follows his daughter, Evie Tomlinson, into New Zealand.

Blaise Tomlinson – is the father of the 2024 and 2025 NZDE photographer – Evie Tomlinson. The pair are both bound for the January 20-22 Feilding event. Evie is picturing in the ring once again (thanks to sponsorship from Probiotic Revolution), in addition to judging the handler's classes.

Blaise and his wife, Deborah, milk 250-head (200 Holstein with 50 Ayrshires) under Sandyford Ayrshires at Charnwood Forest, at Loughborough (21 minutes from Leicester in the East Midlands of England).

Blaise's name fits like a glove, given he and Deborah have "blazed" their own trail throughout their career. Evie tells the story about how Blaise started showing at the bottom of the line through to winning the UK's Premier Ayrshire Breeder five out of 10 years (from accumulated breeder points at the UK Dairy Day, Royal, the Royal Welsh, Agriscot, the great Yorkshire Dairy Event, the Royal Norfolk, Cheshire, the south-west Dairy show, and the Welsh Dairy).

He has judged at nearly every major show in the UK, in addition to Australia, South Africa and Jersey Island. Blaise was the 2020 recipient of the John Dennison Lifetime Achievement Award in the UK – an acknowledgement of achievement, sportsmanship, integrity, and character.

Sandyford is of the most highly regarded Ayrshire breeders in the UK and the greater global industry – and is at the forefront of modern examples of the breed being shown up and down the country.

Sandyford also notably bred Ayrshire breed icon Sandyford Clover 10 EX97 – who won most of major interbreeds championships across the UK during her reign. Her granddaughter achieved a new breed record of 14,000gns (NZ\$19,576) at the Black and White sale at Borderway Mart.

Blaise is well-known for supporting young farmers and helping them show animals. He has hosted Ayrshire rallies at his farm, offering calves and facilities and he helped organise both the Ayrshire and Holstein National Young Members Weekend. He also houses various cows for families who don't have the facilities, but who want to learn more about the business.

Blaise and Deborah are supported by their three daughters, Evie (together with fiancé Ifan Wilson, who live in Wales), Annabelle, and Millie.

Blaise Tomlinson. Photo: Claire Swale

## NZ DAIRYEVENT AYRSHIRE BREED SEMEX ALL NEW ZEALAND SHOW ASSOCIATE JUDGE | KAREN FEEK

Karen Feek has been passionate about farming since she left school.

Once she discovered what pedigree cows were and what showing cattle alongside the Steiner family meant to her. The passion for cows and farming ignited further.

Her foundation cow “Brookview Feek Surprise” for her stud “Harvest Ayrshires” was gifted to her after helping at a show many years ago. Her stud name inherited from her parents, and under her ownership has been built up to 63 head of cattle.

Karen and her cows are on a 150ha challenging block of land on the Awhitu Peninsula where she is Sole Manager. Milking 210 cows with 50 rising one year olds on the back of the property can make calving a bit busy for her.

Currently in her fifth season managing this farm, the time will come for her to climb the career ladder where she will be going 50/50 sharemilking.

In 2023 Karen finally built up enough confidence to sit her judging ticket, she now holds a senior pass.

She was very honoured to be the delegate representing New Zealand for the 2024 Ayrshire World Photo Competition.

Outside of farming and showing Karen likes to travel and explore she is planning on attend the 2028 Ayrshire World Conference in Sweden.

She is looking forward to NZDE and wishes everyone a safe journey to the show.

Karen Feek

## NZ DAIRYEVENT JERSEY BREED SEMEX ALL NEW ZEALAND SHOW | TERRI PACKARD

Profile supplied by Mud Media.

Terri Packard is a name that needs no introduction to anyone who knows anything about cows worldwide.

Terri operates Kueffner Holsteins and South Mountain Jerseys with her husband, Ernest Kueffner, in Boonsboro, Maryland.

Together they breed, develop and market a select group of deep-pedigreed Holsteins and Jerseys that compete in show rings and highlight sale arenas across North America.

Ashlyn, Tobi, Veronica, Apple, Chassity, Comet, Season, Talent Barbara, Dezi, Cosmo, Dixie, Radiant and Gold Barbara are some of the high-focus cows they have owned, developed and marketed, alone or in partnership, over the past 27 years.

They bred popular international sires Ernest-Anthony HaveNoFear and Elliotts Regency Casino.

Packard & Kueffner have owned or managed over 200 All-American and All-Canadian nominations and exhibited numerous Supreme Champions at World Dairy Expo, Royal Winter Fair, PA All-American and Maryland State Fair.

The couple also managed Arethusa Farm for 10 years – building it from a small hobby farm – to global prominence in both the Holsteins and Jerseys.

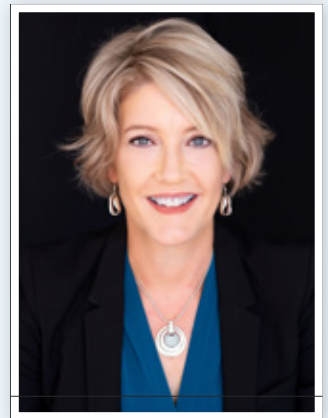

Packard has placed at State Shows and State Fairs in 16 US states, served as official judge for the 2020 National Jersey Jug Futurity and officiated twice at Eastern States Exposition. Her international judging experience includes the 2023 Ontario

Spring Discovery Jersey Show and the Red & White and Jersey Shows at the 2022 Borderway UK Dairy Expo.

In September, Packard officiated the 2024 Pa All-American Dairy Show, judging the Premier National Junior Red & White Show and the Open Jersey Show.

Packard is a sixth-generation dairy farmer raised on a registered Holstein farm in Pennsylvania. She has a B.S. in Dairy Science from Penn State University. Early in her career she worked as a communications coordinator in the AI industry, and as both a Dairy Agent and a 4-H Agent for Pennsylvania State Cooperative Extension.

Aside from her involvement with the farm, Terri serves her local community as Chairman of the Economic Development Commission in Boonsboro. She is a Director for the Maryland Jersey Cattle Club and also represents the Eastern US dairy exhibitors on the World Dairy Expo Dairy Cattle Exhibitors Committee.

Terri Packard

## NZ DAIRYEVENT JERSEY BREED SEMEX ALL NEW ZEALAND SHOW ASSOCIATE JUDGE | ANNIE GILL

Profile supplied by Mud Media.

Annie Gill will join US judge Terri Packard as the associate judge of the Jersey show.

Annie, 23, manages Carse-O-Fern Holsteins in Otorohanga (Waikato), overseeing 140 registered cows. Her passion for breeding was ignited by her father, Kevin, who founded Pitstone Holsteins in 1977.

She has continued breeding under the same prefix and owns 50 registered animals.

Her success in the show ring includes selling the winning junior Holstein calf at the 2024 NZDE the night before the Holstein Show in the NZDE Futurity Sale.

Annie has accepted every opportunity offered to her by the industry, winning the Holstein Friesian NZ Pitcairns Young Breeders Judging Competition (2023) and the New Zealand Young Farmers Grand Final Stock Judging (2022). She was the back-to-back winner of the senior young handlers' title at the NZDE (2022 and 2023). She serves on the Holstein Friesian NZ Black and White Youth Committee and the Waipa Holstein Friesian Club Committee.

She was selected for the 2023 New Zealand team that travelled to the European Young Breeders School in Belgium. The connections/friends she made at this hands-on teaching and

competitive global event (which involves 23 countries) led to her travelling through Ireland and England afterwards, visiting farms and showing cattle.

Annie has also been recognised within the wider dairy industry – notably finishing runner-up in the prestigious Waikato Dairy Industry Awards (Manager's Category) in 2024.

Annie Gill

# HOOFF-IT

## WAIKATO HOOFF TRIMMING

## NZ DAIRY EVENT HOLSTEIN FRIESIAN BREED SEMEX ALL NEW ZEALAND SHOW | LACHLAN FRY

Profile supplied by Mud Media.

Lachlan and his family own and operate Katandra Park Holsteins and Jerseys, at Brunswick Junction, in the south-west corner of Western Australia (WA). The herd is a 50/50 split of Holsteins and Jerseys, with the stud achieving its Holstein Master Breeder award in 2019. Lachlan and his family regularly show in WA, and they have enjoyed significant success through the years.

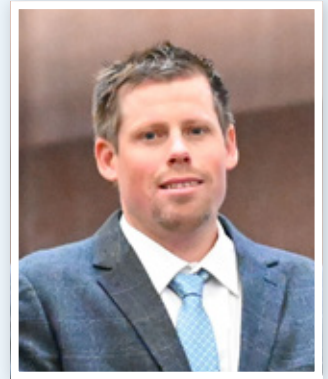

Lachlan has developed into a popular judging choice throughout Australia, and he has officiated over multiple breeds in every state in Australia, including International Dairy Week (IDW), Royal Shows, and State Shows. He has also judged a number of youth shows and On-Farm Challenges. Lachlan comes to the NZDE appointment, fresh from judging

the 2024 Holstein Victorian Winter Fair at Bendigo, in July.

In 2023, Lachlan judged the National Ayrshire Show at IDW, the Central Gippsland Jersey Autumn Fair, and the New South Wales State Holstein On-Farm Challenge Final.

Lachlan has always been passionate about supporting and mentoring youth. He continues to be actively involved in WA's annual youth camp, and he is the current Chairperson for Holstein Australia's WA region.

NZDE will be Lachlan's first international judging appointment, and he says he is humbled and honoured to be headed to New Zealand in January.

Lachlan Fry

## NZ DAIRYEVENT HOLSTEIN FRIESIAN BREED SEMEX ALL NEW ZEALAND SHOW ASSOCIATE JUDGE | SARAH LEECH

Sarah Leech

During the day Sarah can be found at Vetora in Putaruru as a receptionist, now being in her 14th year in the veterinary industry.

Sarah along with her partner Tristan have recently purchased her family farm in Tirau. Where with help from her Dad Graeme, are milking a small herd of pedigree Ayrshires to rear calves.

Sarah has been predominately involved with the Ayrshire breed from a young age with the family attending many A&P Shows.

In 2014 Sarah started her Holstein Friesian journey by adding a black and white calf into the families red herd. Now there are five black and whites with her 'Atlantic' prefix with four of those descending from the original calf.

Sarah has been the Associate Holstein Friesian judge at the Christchurch A&P show in 2016, Stratford A&P show in 2017 & 2022 and in 2024, and more recently the Senior judge for Holstein Friesian NZ at Te Aroha A&P show in November 2024

She is looking forward to judging at NZ's premier cattle show in 2025.

## NZ DAIRYEVENT COMBINED BREEDS SEMEX ALL NEW ZEALAND SHOW | WENDY YOUNG

Profile supplied by Mud Media.

The Combined Breeds judge, Wendy Young, was born and bred into the well-known Dairy Shorthorn herd, Churchcroyd, from Yorkshire.

She has always had a keen interest in showing and is a self-employed cattle fitter. Wendy has turned out Champions and Interbreed Champions at all the major shows in the UK for many customers and for her home herd.

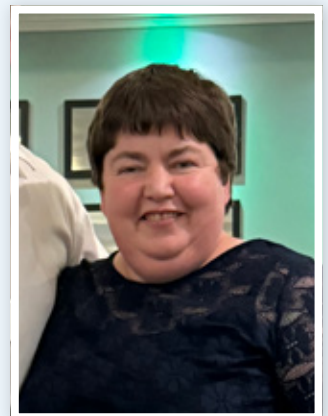

Churchcroyd notably bred the first EX97 dam-and-daughter in any breed in the UK.

When it comes to judging, Wendy is listed on the UK Dairy Shorthorn, Ayrshire, and Brown Swiss Judging panels. She has travelled throughout the UK and Ireland judging different breeds and Interbreed shows –

including the English Royal, the Royal Welsh, the Maclaren Dairy championship (Ireland) and the Southwest calf show.

In 2012 Wendy travelled to Australia to judge the Royal Melbourne Show and the Murray Bridge Show (South Australia). She says the experience fuelled her desire to travel and do more judging.

In her spare time Wendy and husband James rear the young stock for the Churchcroyd herd. She enjoys milking the cows at home and running sales for UK livestock auctioneers and valuers Norton and Brooksbank. Wendy is looking forward to her first trip to New Zealand in 2025.

Wendy Young

We would like to thank our sponsors below.

# GENERAL RULES & NOTICES

To be run under the Rules of the Manawatu A&P Association Show Rules and Regulations: <https://www.ras.org.nz/wp-content/uploads/2022/03/Showing-Rules-Regulations-2020-21.pdf>

## YOUTH SHOW

1. Youth Exhibitors must be aged under 18 years as at 01/01/2025. All animals entered in the Youth Section are eligible to be shown in their respective Breed's and the All Breed's Sections and must be entered and led by the Youth Exhibitor in all the sections.
2. Handlers Classes: Only calves and yearlings are to be used, also the same animal cannot be used by more than one exhibitor/handler.
3. Team Challenge: This event is for non-professionals; in this context a professional is a person that travels from or to other countries to prepare cattle for sale or shows and is paid for his/her services.

## NZ DAIRYEVENT ALL NZ SHOW

1. The one entry fee per animal automatically enters that animal in all classes she is eligible for.
2. The NZ DairyEvent Organizing Committee reserves the right to amalgamate classes with insufficient entries or extend classes with very large entries, any decision made by the committee will be final.

## LATE ENTRIES

May be accepted but they will be at the discretion of the NZ DairyEvent Organizing Committee.

1. All accepted late entries will be subject to a late entry fee of the Class entry fee + 50%: i.e. \$30 + 50%, Totals \$45.
2. Replacement within a class is permitted but between classes is not permitted
3. For any issues relating to late entries, please contact the Chief Steward Jamie Cunninghame on 027 583 3533.

## SUBSTITUTES

These will only be accepted for cattle in the same breed and same aged class. And again, please talk to the Chief Steward about any substitutes being considered.

## CLIPPING FRAMES

1. These are permitted, there is a charge of \$100 + GST for a frame site and the frame will be situated next to your cattle.
2. Clipping space must be booked and paid for on the entry form. If not booked and paid for at time of entry no frame will be permitted to be erected.
3. To be fair to all exhibitors, clipping frames must be erected in the space allocated by the NZ DairyEvent Organizing Committee, not where the exhibitor thinks it should be.

4. A limit of two clipping frames per aisle.

## STRAW / BEDDING

1. Each isle will be allocated sawdust.
2. Sawdust is available for bedding; however, straw can be used at the exhibitor's own cost.
3. Sponsor Farm Source (Ph: 06 323 9146) will have shavings available at the exhibitor's own cost.

## EARLY ARRIVING CATTLE

Exhibitors that are traveling extreme distances will be permitted to enter the Manfeild complex earlier if need be. Please contact either Isaac Kelsen 027 429 7704 or Chief Steward Jamie Cunninghame 027 583 3533 to discuss your requirements. When contact is made, please provide the date and time of arrival for approval. All other exhibitors will be able to enter the Manfeild complex on Saturday 18th of January 2025.

## RULES

1. Unacceptable behavior, the use of drugs, drunkenness and under-age drinking will not be permitted. Alcohol is not to be visual to the public.
2. Manfeild Park management requirements stipulate that **NO GLASS BOTTLES** are to be brought onto the premises. No glassware or glass bottles are allowed inside the stadium.
3. Any alteration of the conformation of cattle as per the Manawatu A&P Assn rules will be considered malpractice and could result in the exhibitor be disqualified from the NZ DairyEvent.
4. With general tidiness on display for NZ DairyEvent visitors and an (inter)national audience through our live-streaming, it is expected that all exhibitors will keep their stalls clean and tidy throughout the event. Exhibitors are also encouraged to dress up their stalls to further impress our visitors and overseas viewers.
5. All rubbish is to be placed in the rubbish bins provided and all cattle waste, saw-dust, shavings etc. is to be placed in the allocated sign-posted areas and bins provided. **It is the exhibitor's responsibility to keep their area clean and tidy - this includes when packing out from the event.**
6. Exhibitors are asked **NOT** to bring large bales of baleage etc. inside the stadium.
7. No dogs allowed in the stadium, day or night.

These are magnificent facilities; with the level of visitors and because we're on display through the live-streamed coverage of the NZ DairyEvent, we need to keep our image of being first class, at all times! ***"Failure to respect these rules could jeopardize our event for the future."***

## COMPLAINTS

Complaints regarding the event or the behavior of a person at the NZ DairyEvent are to be made to the Manawatu A&P Office Manager as soon as possible either in person or in writing. This must be done within 10 working days from the incident occurring. Written complaints to be directed to Lisa Edgeworth Office Manager Manawatu A&P/NZ Dairy Event and emailed to dairyeventnz@gmail.com

## BY-LAWS

1. All cattle in the breed sections must be entered in the name of the bonafide owner.
2. The date of birth of all breeding cattle must be stated at the time of entry.
3. The age of cattle shall be computed as of 1st June. NB: As the age of all cattle is determined from the 1st of June in each year, all animals shall be deemed to be one year older on this date.
4. All cattle entered in the Breed and Youth classes, if one year old or over, must have been entered in the recognized Herd Book of the breed concerned prior to the show. If under one year of age, they must be eligible for entry. Please contact your Breed Society for more information if needed.
5. Addition to by-laws as approved by the NZ DairyEvent: *"Animals eligible for showing at the NZ DairyEvent must be registered with their individual Breed Society and comply with their individual breed society rules for association showing awards."*

## TB TESTING & NAIT REQUIREMENTS

1. All cattle including calves and yearlings entered for the NZ DairyEvent must be from a TB free and accredited herd and tested within the OSPRI regulations of the animals' region.
2. Cattle from a TB free and accredited herd within a declared movement control area must be tested and passed within 60 days of movement. **A copy of the test certificate must accompany all animals.**
3. Checks will be made for TB declaration cards on stock arrival.
4. A NAIT approved RFID tag is mandatory for all movements of cattle, including calves. NAIT regulations for ear tagging is one registered NAIT tag per animal for animals 30 days or older.
5. It is the exhibitors' responsibility to record all animal movements with NAIT 48 hours prior to leaving the farm/property for the NZ DairyEvent and then within 48 hours of returning to the farm/property from the NZ DairyEvent.
6. The animals must be transferred to the **(Manawatu A&P NAIT number - 443920)** for this event.
7. ALL cattle must have Animal Health Board or Birth ID tags.
8. The NZ DairyEvent Organizing Committee will inspect animal identification to establish TB and NAIT status.

## STALLING OF ENTRIES

1. In the event of catalogued entries not being exhibited at the Show, the Chief Steward shall have the right to re-allocate such stall spaces.
2. Feed receptacles will not be provided.

3. Exhibitors wishing to feed meal or dry feed should bring suitable containers with them.
4. Hoses will be located at the end of each row in the stadium. A water trough needs to be supplied by the exhibitor and is not to be shared between exhibitors to prevent the spread of transmissible disease (like M-Bovis).
5. Please ensure that the area around the water supply at each row is kept dry to prevent it turning into a 'bog' area. You will be reminded of your responsibilities and asked to see to any leaking hoses or troughs immediately.
6. The Chief Steward along with the NZ DairyEvent Organizing Committee reserves the right to ask any exhibitor to leave the event if they fail to comply with the rules of both the NZ DairyEvent and Manfeild Park.

## HEALTH AND SAFETY

1. All exhibitors and visitors are expected to comply with the Health and Safety Act 2015.
2. All exhibitors and visitors are expected to comply with any National Health regulations at the time of the NZ DairyEvent.
3. A shed meeting will be held at the start of the event to outline evacuation procedures and update exhibitors on any additional procedures or instructions. In the event of an emergency, exhibitors are asked to follow the instructions of NZ DairyEvent Organizing Committee members, Manawatu and West Coast A&P Members and/or Manfeild Park staff.
4. Exhibitors will be asked for their current First Aid certification (if they have one) on the Entry Form. This will assist the NZ DairyEvent Organizing Committee with the Health & Safety aspects at the event.
5. Electrical equipment must be approved for use by a registered electrician and carry an 'Electrical Safety Test' label valid for the period of the event. The NZ DairyEvent Organizing Committee strongly advises that, to avoid disappointment, exhibitors get electrical equipment tested before arriving.

## SHED MEETING

1. A shed meeting will be held at the start of the NZ DairyEvent: **7:30am Monday 20nd January 2025**
2. Attendance from all exhibitors and supporters is **compulsory** at this meeting to make sure everyone is up-to-date with the latest on the show.

## SCANNING

The RAS All Dairy Breeds Show Ethics Committee advises exhibitors that all in-milk dairy cows at the 2025 NZ DairyEvent must be scanned prior to entry in the ring. Once each in-milk animal is scanned they will be unable to leave the scanning area and must go straight to the ring. Any animal that has a negative result from a scan, will not be permitted to enter the ring. Timing of the scanning prior to each in-milk class will be advised to all exhibitors at the exhibitors meeting at the commencement of the 2025 NZ DairyEvent.

# CODE OF PRACTICE

The NZ DairyEvent Organizing Committee have determined the following Codes of Practice under the rules of the Royal Agricultural Society (RAS): <https://www.ras.org.nz/wp-content/uploads/2022/03/Showing-Rules-Regulations-2020-21.pdf>

The showing of registered pedigree cattle is an important part of the promotion, merchandising and breeding program of many breeders. Additionally, it is an important part of the program of the NZ DairyEvent to stimulate and sustain interest in breeding registered pedigree cattle. This relates to both spectators and exhibitors, as well as our sponsors. With this in mind, the NZ DairyEvent Organizing Committee believes that it is in the best interests of the breeders of registered pedigree cattle to maintain a reputation of integrity and to present a wholesome and progressive image of their cattle in the show ring.

NZ DairyEvent recognizes that there are certain practices in the proper care and management of dairy cattle that are necessary while moving dairy cattle to and between shows that is vital to keep them in a sound, healthy condition so that they might be presented in the show ring in a natural, normal appearance and condition. Conversely, it recognizes certain practices in the handling and presentation of cattle in the show ring that are unacceptable.

In keeping with the basic philosophy of the NZ DairyEvent, ethics are an individual responsibility of the owner/exhibitor of each animal shown. Violations of these responsibilities are subject to possible disciplinary action.

The following practices or procedures are considered unacceptable and defined as being fraudulent and/or unethical in the showing of registered pedigree cattle.

When carried to excess these will be given slight to serious

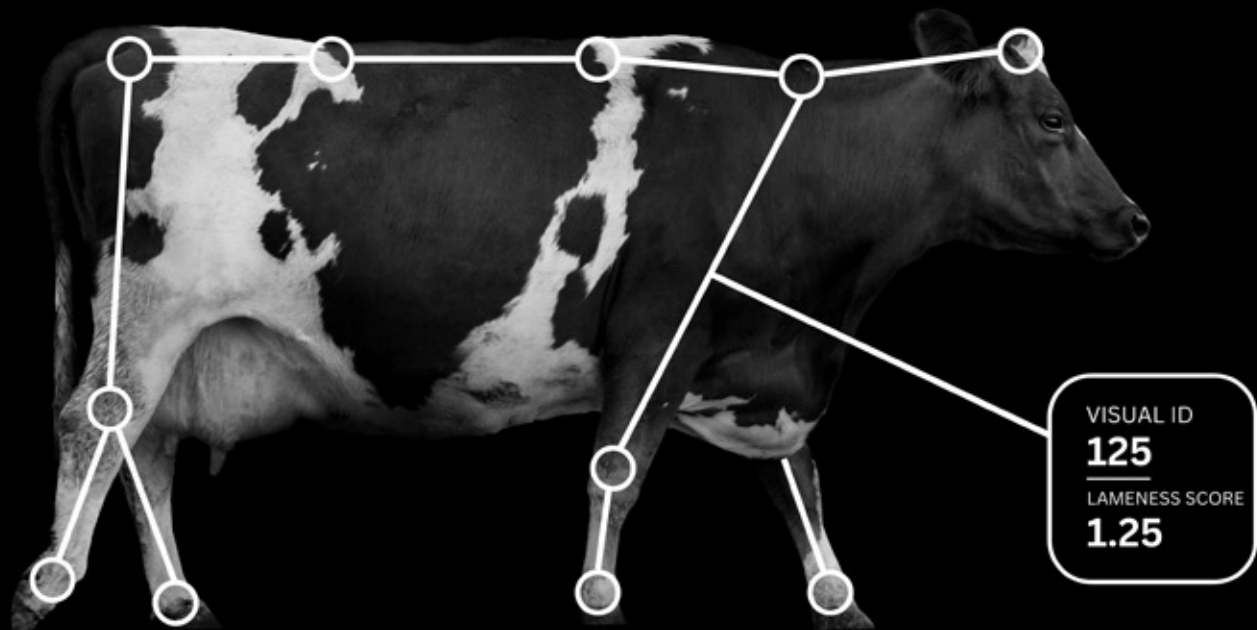

discrimination in the placing of animals within a class and would be seen as unsportsmanlike conduct on the part of the show person.

- Misrepresenting the age and/or milking status of the animal for the class in which it is entered/shown.
- Treating the animal, particularly the udder, internally or externally with an irritant or counterirritant.
- Surgery, or Insertion of foreign matter under the skin, performed to change the natural contour or appearance of the animal's body, though not to preclude practices required or involved in normal management.
- Criticizing or interfering with the judge, show management or other exhibitors while in the show ring, or other conduct detrimental to the animal, the breed or the NZ DairyEvent.
- **External** teat sealing and setting **only** is an allowable practice. Any manipulation of the teat **internally** by surgically or otherwise inserting a foreign substance to alter its normal direction, length or shape, or to hold the teat unnaturally plumb is **banned**. The length of the teat **must not** be altered, either internally or externally, under any circumstances i.e. teats must not be shortened in anyway.
- It will be the responsibility of the NZ DairyEvent judges to take appropriate action if any teats are set, or in any way manipulated to an unnatural position.
- While all milking animals must be subject to examination, the judge(s) will be instructed to closely examine the top five animals, not only for set teats but for any other form of tampering requiring discrimination or disqualification.

# FUTURITY CLASSES

**Judge: Graham Stewart - Rangiora, Canterbury, New Zealand**  
**Associate Judge: Clarie Bourke - Opunake Taranaki, New Zealand**

## RULES FOR FUTURITY CLASSES

*Futurity classes will be run under the General Rules of the Dairy Cattle Sections governed by both Waikato A&P Show and NZ DairyEvent.*

*In addition to the General rules governed by both Waikato A&P Show and NZ DairyEvent the following rules shall apply to calf, yearling heifer and two year old in milk Futurity classes.*

1. *Only heifer calves born from the 1st June 2023 purchased at the Next Generation Sale or the Summer Sensation Sale are eligible to enter.*
2. *A one off entry fee of \$100 per animal is to be paid by the purchaser at the time of the Next Generation Sale or the Summer Sensation Sale. (Revenue generated from the sale of Futurity Lots and any additional money from donors received on the day of the Next Generation Sale or Summer Sensation Sale will be held secure in a BNZ term deposit. Final two year old in milk Futurity classes will be held in October 2025 at Waikato A&P Show and January 2025 at NZ DairyEvent. The monies generated at the Next Generation Sale in 2023 and the sale of Futurity Lots at the Summer Sensation Sale 2025 will become the prize pool for the in milk two year old Futurity classes. The prize pool will be equally divided between Waikato A&P Show and NZ DairyEvent.)*
3. *All in milk two year olds exhibited in the two year old in milk Futurity class will receive a percentage of the prize pool. Allocated percentages of winnings in order of placing.*
4. *Whereby calf and yearling Futurity classes have been sponsored then the sponsored prizes/monies shall be paid to the said class.*
5. *Whereby calf and yearling classes have been sponsored by the Breed Associations in the form of cash or prize of any kind payable to the youth handler, then that cash or prize shall remain the property of the youth handler it has been awarded to.*
6. *Ribbons will be placed 1st – 6th for Futurity calf, yearling and two year old in milk classes.*
7. *All calves, yearling's and in milk two year olds must be paraded by persons who were aged 25 years and under on the day the animal was purchased as a calf at the Next Generation Sale or the Summer Sensation Sale.*
8. *Failing the nominated youth handler being unable to exhibit the calf, yearling or in milk two year old, another youth handler may be nominated. Notification of the change must be given to the Chief Steward prior to the calf, heifer or in milk two year old entering the ring.*
9. *Proof of age of any youth handler may be requested from time to time by the Ring Steward.*
10. *Any additional fees imposed by both Waikato A&P Show and NZ DairyEvent or levies collected for a third party remain the responsibility of the owner.*
11. *Rules should be read in conjunction with the Next Generation Sale rules.*
12. *The Organising Committee reserves the right to review and amend the rules at any time. Committee members; Matt Satherley, Duncan Pipe (027 264 9527), Wendy Harker, Brian Robinson (027 241 0051) Heather Fowlie (027 452 1416) and NZ DairyEvent Representatives.*

Thank you to everyone who has tapped into Mud Media through 2024, and we look forward to working with our wonderful clients once again in 2025...

Stay tuned for breaking news in 2025 – both in print and online – off the back of some exciting collaborations...

Good luck to all exhibitors, and thank you to NZ DairyEvent for continuing to choose Mud Media as the show's primary media outlet.

As in everything...

When you want the right result, it helps to talk to the right people. Don't hesitate to get in touch – if we can't help – we'll know someone who can...

OVER 120,000 CALVES IN 2024

4.8/5 SATISFACTION RATING

"I stopped using Calf Xtreme for 2 seasons, but looking at my milk records at the end of last season, I recognised that the two years I had used Calf Xtreme were averaging 40kgms more than any other years"  
- Rob, Canterbury

**CALF**X**treme**

HELPING YOUNG STOCK REACH THEIR FULL POTENTIAL

# RUMiCELL

MORE THAN JUST A YEAST SUPPLEMENT

NOW WITH OPTIONS  
COSTING AS LITTLE AS  
3C/COW/DAY

## KEY FEATURES OF RUMICELL

-  Rumen stabilisation -concentrated yeast to improve rumen pH- reducing the risk of Sub Acute Ruminant Acidosis (SARA).
-  Increased fibre breakdown and feed utilisation with potential reduced feed costs.
-  Increased microbial protein.
-  Bacillus Subtilis and a combination of other probiotic bacteria formulated to assist in improving general herd health, immune function, reduce cell count and mastitis.
-  NIL milk withhold
-  Unmatched-strength, combination probiotic
-  Flexible custom options

# FMG JERSEY BREED

## SEMEX ALL NEW ZEALAND SHOW

In 2025 the NZ DairyEvent is proud to host the 2024/25 Jersey NZ North Island Championships. Jersey NZ have sponsored the North Island Championship ribbons for the Junior, Intermediate, Senior and Grand Champions.

The Jersey Breed Section is kindly sponsored by FMG.

**Judge:** Terri Packard - Boonsboro, Maryland, USA  
**Associate Judge:** Annie Gill - Otorohanga, Waikato, New Zealand

A rosette, sponsored by the Jersey NZ Youth Council, will be awarded to the highest placed youth exhibitor in each of the open Jersey classes 2001-2012.

### JERSEY DRY STOCK SECTION

# THE RIGHT BALANCE

JERSEYS FOR A SUSTAINABLE FUTURE

## DISCOVER THE RIGHT BALANCE

Join us for a one-of-a-kind event on the **3rd of April at 10:30am** at **Donalds Farm, 1 Ara-Kotinga Road, RD 1, Manurewa** where you can:

### CONNECT

Network with fellow farmers, industry experts and suppliers

### LEARN

Hear from industry-leading speakers sharing insights on sustainable practices, productivity and profitability

### EXPERIENCE

Insightful talks, all located on the popular Donald's Farm

## FEED CONVERSION EFFICIENCY

Jerseys have been proven conclusively as the most efficient of the three main breeds, producing an average of 8% more milk solids per kilogram of dry matter.

## ANIMAL WELFARE AND LONGEVITY

Longer cow life expectancy through reduced feet and leg problems, fewer collapsed udders, less mastitis, less calving difficulty and significantly lower empty rates due to superior fertility. Jerseys on average require a significantly lower replacement rate.

## ENVIRONMENTAL SUSTAINABILITY

Jersey is the most sustainable of the common dairy breeds, producing more profit when stocked at optimal stocking rates. Jerseys are kinder on the environment at the cow, whole farm and industry level.

## HEAT TOLERANCE

Jersey cattle display superior heat tolerance, through their ability to maintain feed intake, milk production and reproduction under warm temperatures.

# Under the pump?

Here are some questions that can help you get through.

- Am I getting enough sleep?
- Am I talking to someone about what's on my mind?
- Am I eating well and keeping physically active?
- Am I having down-time to recharge?
- Do I have a list of what is realistic to achieve each day?

Using these questions to lock in small changes can make a big difference.

# HOLSTEIN FRIESIAN NZ

## HOLSTEIN FRIESIAN BREED

### SEMEX ALL NEW ZEALAND SHOW

In 2025 the NZ DairyEvent is proud to host the 2024/25 Holstein Friesian NZ North Island Championships. Holstein Friesian NZ have sponsored the North Island Championship ribbons for the Junior, Intermediate, Senior and Grand Champions.

The Holstein Friesian Section is kindly sponsored by Holstein Friesian NZ.

**Judge:** Lachlan Fry - Brunswick Junction, Australia  
**Associate Judge:** Sarah Leech - Tirau, Waikato, New Zealand

A rosette, sponsored by Holstein Friesian NZ, will be awarded to the highest placed youth exhibitor in each of the open Holstein Friesian classes 5001–5013.

## HOLSTEIN FRIESIAN DRY STOCK SECTION
